The screenshot shows the NJ-GeoWeb interface. At the top, there is a navigation bar with 'Home', 'Maps', and 'Searches' menus. Below this is a 'Layers' panel on the left, which is annotated as the 'Map Content Window*'. It lists various map layers such as 'Place Names', 'Major Roads', 'Counties', and 'Environmental Monitor...'. The main map area displays a map of New Jersey with county boundaries and names. To the right of the map is a vertical toolbar with various icons for navigation and interaction, labeled as 'Map Tools*'. At the bottom, there is a status bar with a scale of 1:1,580,600.00, the NJDEP logo, and several toggle buttons for coordinates and metadata. Red arrows point from text labels to these specific UI elements.
